TELESEMINAR INVITATION

We cordially invite you to attend the Teleseminar on
“Bioplastics: A Brief Introduction”
 by

Dr. M. Rajendran

Institute for Materials Research and Innovation
University of Bolton, UK.

29th July 2017, at 2.00pm in COE Valuation Hall

Dr. M. Rajendran is currently a postdoctoral researcher at Institute for Materials Research and Innovation, University of Bolton, UK. Before moving to UK, he was a postdoctoral researcher and research engineer at Institut de Recherche Dupuy de Lome (IRDL), University of South Brittany, France and Centre de Recherche C2MA, Ecole des Mines Ales, France, respectively. He obtained his PhD from University of Guelph, Canada in 2015 and Master's degree (MTech) from Anna University, India in 2010. From 2010 to 2011, he has worked as senior researcher at the Indian Institute of Technology Madras (IITM). He has qualified GATE exam in 2010 with all India rank of 351.

He has also received several awards including innovation of the year 2016, project Soy, international student scholarship and travel grants. His research expertise is mainly on processing, compatibilization, and characterization of biopolymers, biopolymer blends, and biocomposites for sustainable materials development. In addition, he has published more than 10 peer-reviewed articles, 1 patent application (*commercialized*) and one book chapter to his credit.
